UNDERWRITTEN BY **GUARDRISK INSURANCE COMPANY LIMITED (GICL)**A LICENSED NON-LIFE INSURER, REG. NO. 1992/001639/06, FSP NO. 75

Guardrisk Insurance Company Limited, a licensed non-life Insurer and an authorised financial services provider (No.75)

Where your Medical Scheme ends, Ambledown Gap Plus & Extend begins.

Medical Schemes have revolutionised health. They give ordinary people access to advanced life-saving medical procedures that are too costly for most people. Indeed, medical technology and procedures are advancing ever faster, becoming more complicated and more expensive. Medical Schemes and members simply can't keep up.

This expanding gap between medical scheme coverage and the actual fees charged by private healthcare providers has created a financial shortfall with devastating consequences. You, the Medical Scheme member, are liable to pay the outstanding amounts.

That is where Ambledown Gap Select steps in.

When the Specialists you need charge more than the rates your Medical Scheme pays, our products cover the shortfall – so you don't have to.

Simply put, Ambledown Gap Plus $\&\, Extend$ covers the gap.

2025 Product Range The health of your family is in caring hands

Ambledown cares about more than just your medical bills (although, we REALLY care about that). We love what we do. We get excited about every claim we pay because it represents a family that we have helped through a tough situation.

The Ambledown team investigates and identifies shortfalls in Medical Scheme cover to help you mitigate the financial risks that come with life's health risks. That is why we have built Ambledown Gap Plus & Extend

This Insurance Product is designed to protect you and your immediate family from the shortfall (Gap) resulting from any medical practitioner charging above the Medical Aid Tariff for in-hospital surgical procedures and for certain out of hospital procedures.

Ambledown Gap Plus & Extend has the perfect combination of benefits for your individual needs.

- Please note that this product will assist with the medical expense shortfalls
 for in-hospital expenses and does not provide cover for day-to-day
 expenses once your Medical Savings Account has been depleted, nor will it
 cover your expense if you are in the self-payment gap.
- The minimum entry age for the Principal insured person is 18 and the maximum entry age is 65. Applicants 66 and older have the option of selecting products for seniors.
- Extended Family Dependants: (parents, parents in-law, adult children etc.) A
 family is defined as the principal insured and immediate family which
 includes the spouse and children. Extended family dependants are not
 considered as part of the family.
- Eligible child is a person who has not reached the age of 21 and this age may be extended to 25 (under 26) in respect of a child who is unmarried and a dependant on the Principal Insured Persons' Medical Aid Scheme.

Biological, adopted, fostered and step children are eligible dependants if they are under 21 years of age, or they are under 26 years of age and who is unmarried and a dependant on the Principal Insured Persons' Medical Aid Scheme.

There is no age limit for mentally or physically handicapped children who are wholly dependent on the Principal Insured and such child is covered by a registered Medical Aid Scheme.

There is no limit to the amount of children covered by the policy.

- Continuation: Any individual may apply to continue cover if that individual
 was a member of a group policy and terminates his employment.
 Ambledown has the right to alter the premium rates to individual rates or
 adjust the premium for the additional costs of the debit order and other

- No benefit shall be payable for the severe illness benefit if the Insured Person was diagnosed with Cancer (as defined) prior to the inception of this Policy.
- Insurance benefits detailed in this document are subject to a cell captive
 relationship between Guardrisk Insurance Company Limited (Cell Insurer)
 and Vida Product Services (Pty) Ltd (Cell Owner), as a result of a
 shareholder and subscription agreement concluded between the Cell
 Insurer and the Cell Owner, whereby the Cell Owner is entitled to share in
 the profits and losses generated by the insurance business. Ambledown
 operates as an Underwriting Manager Agency (UMA) operating on behalf of
 the Cell Insurer and Cell Owner. Therefore, this is an arrangement whereby
 Guardrisk shares equity with the Cell Owner through a shareholding
 arrangement and provides the Cell Owner a vehicle through which to write
 the Cell Owner's insurance risk.
- This is not a Medical Scheme and the cover is not the same as that of a Medical Scheme. This policy is not a substitute for Medical Scheme membership.

Waiting periods

- Ambledown will apply the 3 month general waiting period condition to all applications for new membership.
- The only time we would not apply the 3 month general waiting period is:
 - Claims qualifying as an accident in terms of the policy definition, or
 - If the client changes gap cover policies with similar benefits offered by different product providers with the same insurer (GICL).
- A 12 month pre-existing clause applies. The clause excludes claims for any
 treatment received for a condition for which treatment or advice has been
 received in the 12 months prior to the inception of the policy. The intention
 is to exclude any benefit where treatment or advice was received 12 months
 prior to inception. Once membership is greater than 12 months, then
 benefits are payable regardless of the date in which the illness manifested
 itself or the injury occurred.
- Benefit upgrades: A 3 month general waiting period and 12 month pre-existing clause will apply to the additional benefits obtained when a member upgrades cover. The existing benefits enjoyed prior to the upgrade will not be subjected to the waiting periods mentioned.
