Important things to remember

- Network rules apply.
- General Scheme exclusions apply. If cover for specific services is not covered under the Option, you may not claim for them from the WELLTH Fund.
- Medicine or ongoing treatment for a diagnosed condition is not covered from the WELLTH Fund.
- Where healthcare services are also eligible for cover from another defined risk benefit, for example the Screening and Prevention Benefit, we will pay the claim from that benefit first, and then only from the WELLTH Fund in instances where that benefit is depleted or unavailable.
- Claims paid from your WELLTH Fund do not impact your Day-to-day benefits.
- Cover from the WELLTH Fund is subject to the Scheme's entry clinical criteria, treatment guidelines and protocols.
