# LA Core

## REASONS WHY THE LA CORE OPTION IS THE BEST FOR YOU

This option has a Major Medical Benefit for all in-hospital and large expenses. It provides cover for medicine for Chronic Disease List conditions that form part of the Prescribed Minimum Benefits, as well as for several additional chronic conditions. It pays for Day-to-day expenses from a Medical Savings Account, with Extended Day-to-day Benefits for GPs, specialists, dentists, acute medicine, radiology, pathology and optical benefits.

## In Hospital

You must preauthorise your in-hospital treatment or care

### IF THE TREATMENT OR CARE IS A PRESCRIBED MINIMUM BENEFIT (PMB)

|                                                                                                                                       |                                                                                                                                |                                                                                                                    |

| PMB at a non-Network Hospital                                                                                                         | If the admitting Dr is a Specialist in the KeyCare Hospital, DH Network GP or Premier A or B Network Specialist                | We pay the hospital and other claims up to the LA Health Rate                                                      |
|                                                                                                                                       | If the admitting Dr is NOT working in the KeyCare Hospital, NOT a DH Network GP or NOT a Premier A or B Network Specialist     | We pay the hospital and other claims up to the LA Health Rate                                                      |

### IF THE TREATMENT OR CARE IS NOT A PRESCRIBED MINIMUM BENEFIT (PMB)

You may go to any hospital for treatment or care. When you're admitted to a hospital, there is no overall limit that applies for the hospital, GP / Specialist visits and other associated costs.

We pay the hospital and other claims up to 100% of the LA Health Rate from the Major Medical Benefit

### WE COVER CERTAIN PROCEDURES AT DAY SURGERY FACILITIES

You must preauthorise your day surgery treatment or care

Certain procedures are covered in full when you have the treatment at a Day Surgery facility in the Scheme's Network. If not, a deductible will apply. You will have to pay the deductible to the provider.

You can find the list of Day Surgery procedures on [www.lahealth.co.za](http://www.lahealth.co.za). We will also tell you about this when you preauthorise the procedure.

### WE COVER YOU WHEN YOU NEED EMERGENCY MEDICAL TRANSPORT

The Scheme covers you for emergency medical transport. We pay for this service from the Major Medical Benefit and there is no overall limit.

## Out of Hospital

### IF THE TREATMENT OR CARE IS A PRESCRIBED MINIMUM BENEFIT (PMB)

Out-of-hospital Prescribed Minimum Benefits are paid in full, subject to the use of the Scheme's Designated Service Providers, or at cost when there are no Designated Service Providers.

### IF THE TREATMENT OR CARE IS NOT A PRESCRIBED MINIMUM BENEFIT (PMB)

Out-of-hospital benefits are paid up to 100% of the Scheme Rate, subject to clinical criteria, the use of the Scheme's Network and/or Preferred Providers, and applicable limits. We pay these claims from the Medical Savings Account or the Extended Day-to-day Benefit.

## You can enjoy the best of care during your pregnancy

No overall limit applies when you're admitted to hospital as long as you get preauthorisation for the admission. We pay certain out-of-hospital benefits for the mother and baby from the Major Medical Benefit, if the mother registers on the Scheme's Maternity Programme. If not registered, all pregnancy-related benefits will be paid from the available benefits in the Medical Savings Account or Extended Day-to-day Benefit.

## Cover for chronic and acute medicine

You have medicine cover for all approved Prescribed Minimum Benefit Chronic Disease List conditions, paid in full from the Major Medical Benefit up to the LA Health Medicine Rate for listed medicine. Medicine that is not on the medicine list is paid up to a Chronic Drug Amount.

Medicine, for approved Additional Disease List conditions, is paid up to a Chronic Drug Amount up to an annual limit. This is up to a specific amount based on your family size.

Prescribed, acute medicine on the preferred list are paid from the available funds in your Medical Savings Account, or from the Extended Day-to-day Benefit at 100% of the LA Health Rate for medicine and those on the non-preferred list are paid at 90% of the LA Health Rate for medicine.

You also have cover for over-the-counter (schedule 0, 1 and 2) medicine, whether prescribed or not, at 100% of the cost from the available funds in your Medical Savings Account or from the Extended Day-to-day Benefit. Specific limits apply.

When you are discharged from hospital after an admission, we pay for take-home medicine from the available funds in your Medical Savings Account or from the Extended Day-to-day Benefit at 100% of the LA Health Rate for medicine on the preferred list and at 90% for medicine on the non-preferred list.

The Scheme pays for the completion of the Chronic Illness Benefit application form by your provider, if the condition is approved.

## We pay for certain preventive screening tests or vaccines

The Major Medical Benefit provides cover for:

- A screening test (to check your blood glucose, blood pressure, cholesterol and body mass index), or a flu vaccination at one of the Scheme's designated service providers or a network pharmacy. We also pay for additional screening tests for seniors and children.
- A once-off specific pneumococcal vaccination in a qualifying beneficiary's lifetime.
- Pap smears, mammograms, prostate-specific antigen tests and certain colorectal cancer screenings, subject to clinical criteria.

We pay these costs from the Major Medical Benefit up to 100% of the LA Health Rate.

We pay for the consultation and other related costs from your Medical Savings Account, or from the Extended Day-to-day Benefit. If these are needed as part of Prescribed Minimum Benefit, we pay the costs from the Major Medical Benefit.

## World Health Organization (WHO) Outbreak Benefit

The Scheme pays for screening, testing, consultations and other PMB-related COVID-19 treatment and care – whether the care is required in or out of hospital. This includes benefits for vaccinations and the treatment and care of long COVID-19.

The Scheme also provides a basket of care benefits for treatment and care related to Monkeypox.

## OVERALL ANNUAL LIMITS

| Hospital                    | No overall limit |              |               |
|-----------------------------|------------------|--------------|---------------|
|                             | Member           | Spouse/Adult | Child (max 3) |
| Extended Day-to-day Benefit | R8 245           | R5 758       | R2 243        |
| Medical Savings Account     | R13 236          | R11 568      | R5 316        |

### Advanced Illness Benefit

Out of hospital palliative care for members with life-limiting conditions, including cancer

Subject to PMB Paid from the Major Medical Benefit, subject to clinical criteria and authorisation

### Advanced Illness Member Support Programme

For patients with advanced illnesses, requiring support at a time when they are trying to manage their symptoms, and understand their healthcare needs

Paid from Major Medical Benefit. Subject to a basket of care, authorisation, clinical criteria and guidelines

### Ambulance services – *must call Discovery 911 (0860 999 911) for authorisation*

Emergency Medical Transport

Paid from Major Medical Benefit, up to 100% of the LA Health Rate subject to authorisation. No overall limit

### Blood transfusions and blood products

Blood transfusions and blood products

Subject to Prescribed Minimum Benefits. Paid from Major Medical Benefit. No overall limit

### Colorectal cancer care and surgery

In and out of hospital management of colorectal cancer and related surgery

Paid from Major Medical Benefit, up to 100% of the LA Health Rate, subject to authorisation, clinical criteria and management by the Scheme's Designated Service Providers. If the services of a non-DSP provider are used, the claim will be paid up to 80% of the LA Health Rate. Related accounts paid from Major Medical Benefit

## Dentistry

### In and Out-of-Hospital

Basic dental trauma procedures: for a sudden and unanticipated impact injury because of an accident or injury to teeth and the mouth, resulting in partial or complete loss of one or more teeth that requires urgent care in- or out-of-hospital

Subject to a joint limit of R68 250 per person per year for treatment in- or out-of-hospital.

#### In-Hospital

Paid from the Major Medical Benefit. Subject to preauthorisation, clinical entry criteria, treatment guidelines and protocols. Members will have to make an upfront payment (deductible) to the hospital or Day Clinic

|                    |                       |        |
|--------------------|-----------------------|--------|
| <b>Hospital</b>    | Younger than 13 years | R2 620 |
|                    | Older than 13 years   | R6 620 |
| <b>Day clinics</b> | Younger than 13 years | R1 280 |
|                    | Older than 13 years   | R4 340 |

#### In- and Out-of-Hospital

Dentist and related accounts paid from the Major Medical Benefit, up to 100% of the Scheme Rate

#### Dental appliances and prostheses

All dental appliances and prostheses, and the placement thereof, paid from the Major Medical Benefit.

### In Hospital

Maxillo-facial procedures: certain severe infections, jaw-joint replacements, cancer-related and certain trauma-related surgery, cleft-lip and palate repair

Includes the cost of the emergency casualty consultation, facility fees and all consumables |
| International clinical review consultations                                                                                                                         | Paid from the Major Medical Benefit to a maximum of 75% of the cost of the consultation at the Cleveland Clinic. Subject to preauthorisation                                                                                                                                                                                                       |

## HIV or AIDS

|                                                        |                                                                                                                                                                                   |
|--------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HIV prophylaxis (rape or mother-to-child transmission) | Prescribed Minimum Benefits. Paid from Major Medical Benefit. No overall limit                                                                                                    |
| HIV- or AIDS-related illnesses                         | Prescribed Minimum Benefits. Paid from Major Medical Benefit. No overall limit, subject to clinical entry criteria and HIVCare Programme protocols                                |
| HIV- or AIDS-related consultations                     | Prescribed Minimum Benefits. Covered with no overall limit from the Scheme's Designated Service Provider. Paid up to 80% of the Scheme Rate if the services of a non-DSP are used |

## Home-based Care

Home-based care for clinically appropriate chronic and acute treatment and conditions that can be treated at home, including clinically appropriate monitoring devices

Paid from Major Medical Benefit up to 100% of the LA Health Rate  
Subject to authorisation, clinical criteria and management by the Scheme's Designated Service Providers and benefits defined in a basket of care

## Hospitals and Day Surgery Procedures

all planned procedures must be preauthorised

### Pre-operative assessment

Pre-operative assessment for the following major surgeries: Arthroplasty, colorectal surgery, coronary artery bypass graft, radical prostatectomy and mastectomy

Paid once per hospital admission from the Major Medical Benefit up to 100% of the LA Health Rate according to a benefit basket. Subject to authorisation and/or approval and the treatment meeting the Scheme's clinical entry criteria, treatment guidelines and protocols.

### Hospitalisation, Theatre Fees, Intensive and High Care

Hospitals

No overall limit. Paid from the Major Medical Benefit. Subject to preauthorisation and clinical guidelines

Prescribed Minimum Benefit-related treatment and procedures

Emergency in-hospital care subject to Prescribed Minimum Benefits  
Paid at 100% of the cost for services provided in a KeyCare Network Hospital, the Scheme's Designated Service Provider for Prescribed Minimum Benefits, when a Specialist in the KeyCare hospital, a Discovery Health Network GP or a Premier A or Premier B Specialist admits the member

Non-Prescribed Minimum Benefit planned in-hospital treatment and procedures

If Prescribed Minimum Benefit-related services are not obtained at a Designated Service Provider Hospital and the admitting doctor is not a Designated Service Provider, PMB claims will be paid up to the LA Health Rate only  
Non-Prescribed Minimum Benefit planned in-hospital treatment and procedures: paid up to 100% of the LA Health Rate

### Day Surgery Procedures

Defined list of day surgery procedures paid from Major Medical Benefit, up to 100% of the LA Health Rate, subject to authorisation, clinical criteria and the services being obtained at a facility in the Scheme's Designated Service Provider Network. If the services of non-Designated Service Providers are used voluntarily, a R7 000 deductible applies

## Maternity benefit

### In Hospital

Paid from the Major Medical Benefit, up to 100% of the LA Health Rate. Subject to preauthorisation

### Out of Hospital

#### Maternity Programme

Paid from the Major Medical Benefit, up to 100% of the LA Health Rate. Subject to registration on the Programme. If not registered on the Programme, benefit for mother and baby subject, and limited to benefits from Medical Savings Account and Extended Day-to-day Benefit

An additional screening assessment for at-risk beneficiaries, subject to the use of the services of an accredited Network GP and certain clinical entry criteria                                                                                                                                |
| Other screening tests:<br>Mammogram, Pap Smear, Prostate-Specific Antigen (PSA) or Colorectal cancer screenings                                                                                                          | One Mammogram every 2 years; one Pap Smear every 3 years, one PSA test per person per year, one faecal occult blood test or one immunochemical test every 2 years per person for persons aged 45 to 75 years                                                                                                                                                                                     |
| Additional cover for Mammogram, Breast MRI, one BRCA test and repeat Pap Smear or one Colonoscopy (for persons identified by the colo-rectal screening to be at risk)                                                    | Benefits Subject to clinical criteria and PMB.<br>Consultations paid as described for GPs or Specialists                                                                                                                                                                                                                                                                                         |
| Vaccinations:<br>Pneumococcal vaccination                                                                                                                                                                                | One specific, approved pneumococcal vaccine every 5 years for persons under the age of 65 or one vaccine per person per lifetime for persons over the age of 65. Paid from the Major Medical Benefit, subject to clinical criteria                                                                                                                                                               |

## Prostheses or external medical appliances

### Internal Prostheses

|                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                          |
|-------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cochlear implants, implantable defibrillators, internal nerve stimulators and auditory brain implants | Paid from Major Medical Benefit up to R261 000 per person per year, subject to preauthorisation                                                                                                                                                                                                                                                                                                          |
| Shoulder replacement prostheses                                                                       | Paid from Major Medical Benefit. Unlimited if obtained from the Scheme's Preferred Provider limited to the applicable negotiated rate per device, per admission if obtained from a non-Preferred Provider                                                                                                                                                                                                |
| Major joint replacements, including hip and knee replacements                                         | Paid from the Major Medical Benefit. Subject to the use of the Scheme's DSP hospital. If service is voluntarily obtained at a non-DSP hospital, the Scheme will pay up to 80% of the hospital account. Devices for hip or knee replacements unlimited from the Scheme's Preferred Provider limited to the applicable negotiated rate per device, per admission if obtained from a non-Preferred Provider |
| Spinal prostheses/devices                                                                             | Paid from the Major Medical Benefit<br>Unlimited if obtained from the Scheme's Network Provider<br>If the devices or prostheses are not obtained from the Scheme's Network Provider, paid up to the negotiated rate per level up to a maximum of two levels per beneficiary per year. Only one procedure per year will be authorised                                                                     |
| Other internal prostheses                                                                             | Paid from Major Medical Benefit, subject to preauthorisation and clinical criteria                                                                                                                                                                                                                                                                                                                       |

## World Health Organization (WHO) Benefits

Benefit for out-of-hospital management and appropriate supportive treatment and care for Global WHO recognised disease outbreaks

01 | COVID-19, subject to PMB

02 | Monkeypox

Limited to a basket of care as set by the Scheme per condition

Subject to obtaining the services from the Scheme's preferred providers / DSPs, where applicable, and the condition and treatment meeting certain clinical criteria and protocols

# WELLTH *fund*

The WELLTH Fund is a once-off benefit, available for a maximum of two benefit years, from 1 January 2024 until 31 December 2025 if you joined the Scheme before January 2024.

If you joined the Scheme after 1 January 2024, the WELLTH Fund will be available in the year of joining and up to the end of the next year

## The WELLTH Fund

Your available WELLTH Fund benefit limit depends on the number of registered dependants on your membership, and their age.

Once you and all your registered dependants have completed the appropriate screening assessment, you will have access to a combined WELLTH Fund benefit of R2 500 for every adult, and R1 250 for every child over the age of two years to a maximum overall limit of R10 000 per membership.

The per beneficiary limit depends on the age of the member or dependant at the date of expiry of the WELLTH Fund.

For example if the benefit was activated in 2024:

- Children who turn two years old on or before 31 December 2025 receive the child allocation of R1 250.
- Beneficiaries who are 18 years old on or before 31 December 2025, receive the adult benefit value of R2 500.
- Children who are two years old after 31 December 2025 will not receive a fund value allocation but are still eligible to use the WELLTH Fund.

Once activated, the WELLTH Fund is available for use by all registered beneficiaries on your membership, regardless of their age. Qualifying healthcare services are covered up to a maximum of the Scheme Rate, subject to the overall benefit limit.

## Healthcare services that will be paid from the WELLTH Fund

General health

- One GP consultation per beneficiary per year
- Dental check-up
- Eye check-up
- Hearing check-up
- Skin cancer screening

## Healthcare services that will be paid from the WELLTH Fund (continued)

|                            |                                                                                                                                                                                                                                                                                                                                                                                               |

| General health (continued) | <ul style="list-style-type: none"><li>• Heart consultation</li><li>• Lung cancer screening for long-term smokers</li><li>• Medical devices used to monitor blood pressure, blood sugar and cholesterol. The devices must have a registered NAPPI code and be purchased from a registered healthcare provider with a valid practice number (such as a pharmacy dispensary or doctor)</li></ul> |
| Physical health            | <ul style="list-style-type: none"><li>• Diet, nutrition, and weight management at a dietitian</li><li>• Physical movement and mobility management at a biokineticist or physiotherapist</li><li>• Fitness assessment or high-performance fitness assessment at a provider in the Scheme's Wellness Network</li><li>• Foot health management at a podiatrist</li></ul>                         |
| Mental Health              | Mental wellness check-up at a psychologist, paediatrician, nurse, social worker, registered counsellor, or psychiatrist                                                                                                                                                                                                                                                                       |
| Women's and men's health   | Gynaecological and prostate consultations with your doctor, and a bone density check                                                                                                                                                                                                                                                                                                          |
| Children's Health          | Children's wellness visit, which includes growth and appropriate developmental assessments with an occupational therapist, speech therapist or physiotherapist                                                                                                                                                                                                                                |

## Important things to remember

- Network rules apply.
- General Scheme exclusions apply. If cover for specific services is not covered under the Option, you may not claim for them from the WELLTH Fund.
- Medicine or ongoing treatment for a diagnosed condition is not covered from the WELLTH Fund.
- Where healthcare services are also eligible for cover from another defined risk benefit, for example the Screening and Prevention Benefit, we will pay the claim from that benefit first, and then only from the WELLTH Fund in instances where that benefit is depleted or unavailable.
- Claims paid from your WELLTH Fund do not impact your Day-to-day benefits.
- Cover from the WELLTH Fund is subject to the Scheme's entry clinical criteria, treatment guidelines and protocols.

# TOTAL MONTHLY CONTRIBUTIONS INCLUDING YOUR MEDICAL SAVINGS ACCOUNT FOR 2025

|                             | Member | Adult  | Child dependant | Maximum for 3 child Dependants |
|-----------------------------|--------|--------|-----------------|--------------------------------|
| Total monthly contributions | R7 621 | R6 879 | R2 277          | R6 831                         |

## WHAT WE DO NOT COVER (EXCLUSIONS)

There are certain medical expenses and other costs the Scheme does not cover, except when it is a Prescribed Minimum Benefit. We call these exclusions. LA Health will not cover any of the following, or the direct or indirect consequences of these treatments, procedures or costs incurred by members

### Certain types of treatments and procedures

- Cosmetic procedures, for example, otoplasty for jug ears; portwine stains; blepharoplasty (eyelid surgery); keloid scars; hair removal; nasal reconstruction (including septoplasties, osteotomies and nasal tip surgery) and healthcare services related to gender reassignment
- Breast reductions and implants
- Treatment for obesity
- Treatment for infertility, subject to Prescribed Minimum Benefits
- Frail care
- Experimental, unproven or unregistered treatment or practices.

### Certain costs

- Costs of search and rescue
- Any costs that another party is legally responsible for
- Facility fees at casualty facilities (these are administration fees that are charged directly by the hospital or other casualty facility).

### The purchase of the following, unless prescribed

- applicators, toiletries and beauty preparations
- bandages, cotton wool and other consumable items
- patented foods, including baby foods
- tonics, slimming preparations and drugs
- household and other biochemical remedies
- anabolic steroids
- sunscreen agents.

Unless otherwise decided by the Scheme, benefits in respect of these items, on prescription, are limited to one month's supply for each prescription or repeat thereof.

### Always check with us

Please contact us if you have one of the conditions we exclude so we can let you know if there is any cover. In some cases, you might be covered for these conditions if they are part of Prescribed Minimum Benefits.

This is a summary of the LA Core benefits and features, submitted to the Registrar of Medical Schemes. If there is any discrepancy between this document and the registered Rules, the Rules will always apply.
