Please note: The final member portion of the total contribution is subject to the maximum subsidy capping amount.

For illustrative purposes only, the tables below reflect the portion of the total contribution you would have to pay if you receive a 60% subsidy. This was determined by taking into consideration the SALGBC maximum capping of R5 514.86 that will be effective until 30 June 2025. You will need to calculate your contribution if your subsidy is different, taking into consideration the maximum capping.
